MAXWALTON REVOLUTION

JUNE STH, 1916

MANSFIELD • OHIO

AXWALTON FARM is located three miles east of Mansfield on Pennsylvania tracks. Mansfield is on the main lines of the Pennsylvania, Erie and B. & O. R.R., also on Cleveland & Southwestern Electric Lines. Numerous through trains leave Chicago. B. & O. leaves Chicago at 9:30 p.m. and arrives in Mansfield at 6:08 a. m. Erie leaves Chicago at 10:15 p. m. and arrives in Mansfield at 8:38 a.m. Pennsylvania leaves Chicago at 2:55, 8:45, 10:30 a.m., 3:15, 8:00, 8:15, 11:55 p.m. and arrives in Mansfield at 10:55 a.m., 4:07, 5:27 p.m. 12:13, 3:18, 3:34, 10:15 a.m. The train leaving Chicago at 12 night will stop at the farm and carries sleeper and diner. Special accommodations will be provided on Pennsylvania train leaving Chicago at 11:45 p.m. arriving in Mansfield at 6:25 a.m. This train will carry as many special Pullman cars as necessary to be laid out at Mansfield. The Pennsylvania Company will have their agent attend Thomas Stanton's Sale at Wheaton, Ill., June 7th, and book you for special accommodations on this train.

Mansfield can be reached from the Cleveland & Cincinnati and Cleveland & St. Louis division of the Big Four at either Shelby, Crestline or Galion by B. & O., Erie or Penna. connections or Electric cars each hour from all three places.

Conveyances will be furnished from Mansfield to the Farm on applying at Vonhof Hotel or Citizens National Bank. Special trains will also be run to the farm from Penn. Depot.

Pennsylvania train will leave Mansfield on June 9th at 7:30 a.m. and will arrive at Cromers, one-half mile from Frank Edwards Farm about 9:00 o'clock, in nice time for his Sale, and special sleepers are being arranged for to take the crowd to the Miller, Watt & Gardhouse Sale the following day at Elora, Ontario, Canada.

INTRODUCTION

N PRESENTING this catalog to the public, we feel that we herein catalog a more valuable lot of cattle than we have ever seen sold at auction. Everyone is a good one and richly bred. All are young and many have calves at foot. We do not believe that any firm in existence can offer 60 head of as richly bred or equally as valuable animals. We have demonstrated for the past ten years that there is no herd in North America capable of turning out anywhere near as many high classed show specimens. We have won more of the leading honors and bred more winners than any other firm in the business. It has been our aim to offer only such cattle as will satisfy our customers and prove a profitable investment for them.

The Maxwalton ideal has been to breed cattle for beef, milk and early maturity, and we have found that these qualities go hand in hand. Without one you cannot have the other with profit, and without exception our winning calves have been from our best milking cows.

Our aggregate winnings and prizes in the great shows of the past ten years have been much larger than those of any other exhibitor, and our herd now numbers some 300 head.

The Maxwalton Dairy Cows won first at the American Royal and second and third at the International of 1908, and third on cow and first and third on heifer at the International of 1909, and second on cow and first on heifer in 1910, third on heifer in 1911, fourth on cow and first on heifer in 1912 and fifth on cow in 1913; first in both cow and heifer classes at Ohio State Fair 1914 and 1915.

We extend a cordial invitation to all interested in good cattle to attend this sale and feel sure that those who come will not be disappointed.

All animals of breeding age are bred and those having passed over six weeks are guaranteed breeders. No unsound animals will be sold.

Certified certificate of pedigree will be furnished with each lot sold.

All stock will be loaded free and with care but will be at buyer's risk when sold.

Terms cash, or a credit of six months at six per cent on bankable paper.

Very respectfully,

CARPENTER & ROSS.

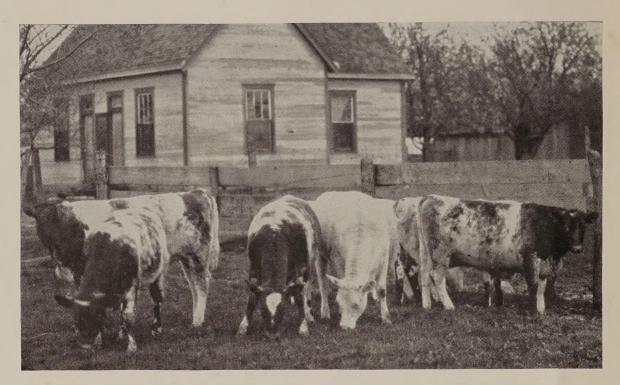

AVONDALE 245144

AVONDALE 245144

AVONDALE 245144, was of the Bruce Averne family. His dam was an undefeated show heifer in the hands of C. H. Jolleff, Stratford on Avon, England. He was sired by Whitehall Sultan that did so much to revolutionize the breed in America.

Avondale commenced his show record as a calf winning as high as Grand Champion at some of the State Fairs. He made the show circuit for six years and met and defeated all the great bulls of his time and although he never had been conditioned especially for the show ring, he made a record unequalled in the history of the breed. His get came in evidence in the shows as calves in 1908. The calf herd sired by him was undefeated at all the leading fairs that year and were only defeated in the Get-of-Sire class by the get of his sire, Whitehall Sultan, and since then his get have reigned supreme in all the leading shows of North America.

He was also a sire of great milkers; heifers sired by him have won first three times in the Dairy Class at the International, besides several seconds and thirds. His dam was also an exceptionally good milker, having produced 43 pounds per day when a heifer. His sons are also making good as sires, the get of Double Dale having stood next the get of Avondale twice at the International.

SOME OF THE FIRST CALVES BY LORD AVONDALE

THE VALUE OF A SIRE

UCH has been said of certain sires having made breeders noted in the live stock business. We credit the blood of Avondale as having put our herd in the rank it now stands, and to look back ten years and think that we were almost tempted to take E. S. Kelly's offer of \$10,000.00 for him before he had ever demonstrated his ability as a sire. Ten thousand looked like a big price for a yearling bull but, had we parted with him, it would have cost us almost that sum each year since in the difference of the value of his progency and that of the average bull.

Had we sold him and bought any of the bulls of his time that were for sale, it is a safe statement to say that we would not only have deprived ourselves of the reputation our herd enjoys, but had a cash loss of at least \$50,000.00 and perhaps a great deal more.

It is with much reluctance that we offer Lord Avondale for sale as we feel that in him is the second Avondale and a glance at his calves will convince anyone of this fact, and it has been a source of debate for us ever since we bought him. Although we know that we are making a mistake it was our intention to sell him at auction when we bought him and have made this promise to more than one prospective buyer and, although it hurts, we mean to keep our promise for, on June 8th, one of the greatest sires the breed has ever known will change ownersnip.

It was at our 1914 sale that W. S. Robbins came to us and asked our opinion of the bulls we were offering. Our answer was that Lord Avondale, then a calf that had not been nursed properly, was worth more as a sire than all the rest of the bulls put together. Mr. Robbins, agreeing with our opinion, bought the bull and agrees with his son Earl that he is the best sire they ever owned and it should not be overlooked that theirs was the home of the three great bulls, Gay Monarch, St. Valentine and Choice Goods, the latter having sold for \$12,000.00. Messrs. Robbins were very emphatic in saying that money would not buy him without the herd, and we found they meant what they said. He is a great sire for some one to own that has a good herd to use him on. A bull is half the herd, but Lord Avondale will be the big half of any herd.

LORD AVONDALE 391326

LORD AVONDALE 391326 is one of the best sires of the present time. Every one of his calves is of strongest merit as will be seen sale day. He is also a show bull in any company. He stood first at several of the leading fairs in 1915 and is described by W. S. Robbins as the best sire ever used in their herd and that herd has contained some of the best known bulls of the breed, such as Choice Goods, St. Valentine and Gay Monarch. See him and his calves and you will want him.

MAXWALTON ADORNER 426327 is a beautiful Roan and his breeding is hard to equal. He is from the same dam as Maxwalton Aviator that topped our 1915 sale at \$2225.00. This bull was selected by Mr. Frank Scofield as the best calf of our 1915 crop; he won first at Dallas, Texas, Shreveport, La., Oklahoma City and Fort Worth, Texas. Mr. Scofield has seventeen cows in calf to him and thinks him too valuable a bull to risk putting through Texas fever at his age. His dam was purchased as a calf at \$700, her sister at \$1260 and she was the dam of the \$3500.00 Baron Waverly.

MAXWALTON MINSTREL is in our opinion one of the best prospects for a sire that the herd ever produced. He is thick and possesses more combined quality and strength of character than any bull we can call to memory. He resembles White Hall Sultan very much at the same age and has him outclassed in some respects. If you have a high classed herd of red cows his value cannot be estimated. He is from the same dam as Lord Avondale in this sale.

MAXWALTON MANOR 473097 is a calf of rare merit, in fact he is, in our opinion, the best calf that ever has been on the farm and Mr. Geo. Martin calls him as good a calf as he has ever seen. His sire we consider our masterpiece and we do not believe that the bull lives that can beat him if he were in proper show fix but we consider him too valuable in the breeding herd to take chances of putting him in high condition. We would like to reserve the right to show this calf at the fall shows if the purchaser is agreeable and we would insure him for half value.

IMP. SYTHTON STAMP was a noted show bull in the herd of John Miller & Sons. He was got by Leonandas out of Spirea of Cumberland.

IMP. JULIUS CAESAR, conceded to be the greatest bull of his time in Canada.

MAXWALTON MINA 6TH is one of the most attractive cows in our herd; she is already the mother of three calves and every one has been a good one. Her calf of 1914 now heads the herd of Clegg Bros., Ainsworth, Iowa. She has a January heifer calf at foot by Revolution that will make trouble for the best of them at the shows this Fall, and she is again safe in calf to Revolution. It is hard to estimate the value of such a cow, but from the way her forebearers have produced we would say that she is worth taking a chance on up in the thousands. Her dam produced until 18 years of age and was the ancestress of all the Minas we have been so successful with in the show ring. Her calf is entered in the Futurity Class at Ohio, Kansas City and Chicago and we feel as good as anything we have had at her age.

MAXWALTON ROSEWOOD 3RD. has a beautiful heifer calf at foot by Revolution. This we consider one of the most valuable pairs we have ever seen go through a sale ring. Her Dam was purchased by us 12 years ago as a two year old heifer. She and her first calf have produced us \$14535.00 worth of calves and we have seven females and one bull from them in the herd at present. They have been regular producers and every calf has been a good one. The worth of this great family has rightfully become known on both sides of the Atlantic, and we feel that this cow will be a bargain no matter what price she sells at.

MARIGOLD SAILOR 53258, by Sailor's Champion 27235, dam Marigold 6th. 28816, by Prime Minister (Imp.) 15280.

SCOTTISH PRIDE (IMP.) 36106 was a Roan Lady. His sire was Scottish Prince (73593) a Princess Royal, bred by Mr. Duthie, his dam was Cinderella 2nd. by Alan Gwynne (66609) and his grand dam was Cinderella by John Bull (65701).

CINCINNATUS (72224) was a Clipper bull, bred by Mr. Wilson. His sire was Sennacherib (67893), his dam was Cinderella 14th. by Sea King (61769), and his grand dam was Centerpiece by Hercules (54424).

BELMAR AVERNE 88422 is a grand big thick fleshed cow. One of those which is seldom seen. She is a show cow of high order, a heavy milker, a good and prolific breeder which makes her a very valuable cow. She was bred on December 29, 1915, to the Augusta bull, O. A. C. Augustine 88721.

This is a very old family in Aberdeenshire. Avondale and Princess Alice were of that family, and many others of genuine merit have been imported to both Canada and the United States.
